Vale Baby Bird

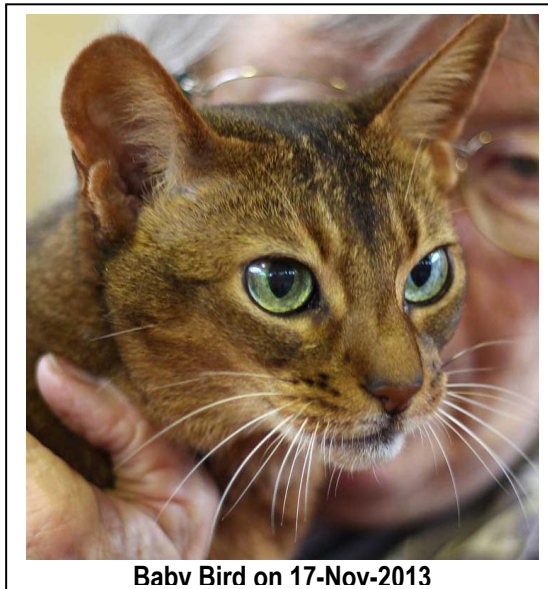

Gold Dbl Gr Ch Nile Bird Of Paradise, DM

(3-Feb-99 – 24-Jan-14)

S: CCCA Dbl Gr Ch & Gold Dbl Gr Ch Fretomau Aussie Bandit

D: CCCA Tpl Gr Ch & Diamond Dbl Gr Ch Nile Bird Of A Feather, DM

Baby Bird managed her cancer well for quite a while, as those who saw her at the Aby show in November would agree. But it eventually got too much – as it always does – and so she was euthanised just before her 15th birthday. She was chief bed cat, queen of the house and chief greeter of visitors. She leaves a big hole even though all our cats are descended from her. Her litter brother, Ian & Lorraine Duffy's CCCA Sapphire Tpl Gr Ch, Gold Dbl Gr Ch & (ACT) Gold Tpl Gr Ch Nile Dickie Bird had died 2½ months earlier.
