

CONGRATULATIONS GEORGE

In May this year, both Abyssinian and Somali exhibitors from around Australia converged on Canberra for the 30th Anniversary of the Abyssinian Breeder Show. To celebrate this special event George Kennedy was presented with a number of special gifts. One of these was a set of 3 books containing messages of congratulations from past and present exhibitors, owners, breeders and judges of Abyssinians and Somalis who know George. It was a fantastic weekend and I hope there will be many more. Thank you to everyone who contributed to this special gift. *(And thank you Lynne for producing it - G.K.)*
