

# Governing Council of the Cat Fancy Supreme Show

## NEC Birmingham Saturday 24<sup>th</sup> October 2015

The GCCF Supreme Show is the pinnacle of the show year and the biggest cat show in the UK featuring over 700 of both the full range of pedigree breeds as well as our much loved household pets. The GCCF also sponsors "Meet the Cats" which is a place where you can touch and interact with the many different breeds. Each breed is hosted by their breed club. The theme for the show this year was Witches and Wizards. There were some amazing show cages. Speaking to the exhibitors many had taken not just days or weeks, but months in the planning of their cages. I was fortunate to meet many Somali and Abyssinian exhibitors throughout the day that I had only met on Facebook. It was great to finally put faces to names.
